Crowne Plaza, Springfield IL

Click on Link below or call to reserve room

[IRMS/ICT Symposium](#)

Tel: 217.529-7777

DESCRIPTION: This program will provide educational direction to nurses, human resources specialists and others charged with managing your organization's workers' compensation exposure.

Objectives:

- A. Create an opportunity to enhance our personal communication skills
- B. Incorporate values-driven leadership into our communication style
- C. Specify how the Core Engagement Pillars and Engagement Imperatives can positively impact our communication
- D. Describe your hospital's bloodborne pathogen (BBP) exposure reporting and management program
- E. Outline those who are involved in the BBP exposure reporting and management program
- F. Describe some of the challenges and successes in a hospital BBP exposure reporting and management program.
- G. Explain how a BBP exposure reporting and management program can promote the safety of healthcare workers
- H. Outline clinical and safety benefits of a dynamic Safe Patient Handling & Mobilization Program (SPHM)
- I. Describe how to conduct a SPHM gap analysis and who should be involved in it
- J. Describe how to maintain a sustainable SPHM program
- K. Demonstrate how to collaborate with other programs in the hospital setting

CE Credit:

The Illinois Health and Hospital Association (IHA) is authorized by the State of Illinois Department of Financial and Professional Regulation (license number 236.000109) to award up to 7.5 hours of nurse continuing education credit for this program.

HR Certification Institute® (HRCI®) has Approved Activity/Program ID: 662349 for 6 HR credit hours
