

ILLINOIS RISK MANAGEMENT SERVICES

34th Annual Risk Managers' Meeting

Expanding Your Toolbox for Proactive Risk Management

September 27 & 28, 2018

Embassy Suites

800.362.2779

100 Conference Center Dr, East Peoria

[Reservations](#)

Special Rate Code: IRM

Block Release: 9/5/18

Description:

This conference offers didactic and interactive presentations for risk managers, physicians, hospital leaders, and attorneys. Nationally recognized speakers will share notable insight to minimize risk, liability exposure, and improve patient safety in healthcare.

Objectives:

Participants will be able to:

- Identify medical and professional liability exposure related to screening recommendations for genetically-related cancers.
- Understand the failure modes associated with opioid use in acute settings and apply solutions to reduce harm and liability associated with opioids.
- Discuss case specific claim resolution approaches, and devise strategies that may impact risk and liability at their organizations.
- Evaluate critical thinking as providing a foundation for achieving high reliability in complex systems such as modern hospitals.
- Describe the communication skills and abilities needed to deliver care remotely.
