

ILLINOIS RISK MANAGEMENT SERVICES

36th Annual Risk Managers' Meeting - Going Virtual!

Risk Management in the COVID-19 Era: New Dilemmas and Opportunities

October 1st and 2nd, 2020

Description:

Two half-day webinar-based program for member/client hospitals, physicians, and their defense attorneys to learn about new and evolving risks in the COVID-19 era, medical professional liability concerns and defense strategies.

Objectives:

- Describe infection prevention strategies needed to prepare for an influx of infectious patients.
- Describe the safe and effective incorporation of telehealth into the care delivery model, thereby mitigating risk and liability exposure.
- Discuss participants' current activities, ideas for implementation, and potential barriers or challenges related to diagnostic error improvement.
- Discuss case-specific claim resolution approaches and interventions to reduce risk and liability.
- Discuss the impact of COVID-19 on medical professional liability claims and litigation, including plaintiff's theories of liability, immunity, and defense strategies.

Nursing CEUs:

The Illinois Health and Hospital Association (IHA) is authorized by the State of Illinois Department of Financial and Professional Regulation (license number 236.000109) to award up to 5.25 hours of nurse continuing education credit for this program.
