

## **Teresa Baumgartner, RN, MJ – IRMS, Senior Risk and Claims Consultant**

In her role as a Senior Risk and Claims Consultant at Illinois Risk Management Services (IRMS), Teresa provides consultation to hospitals, physicians and clinic staff on risk management matters, performs risk assessments, prepares and delivers educational programs, and provides support for Claims Supervisors. Prior to joining IRMS in 2004, she had her own consulting business and worked at a major medical malpractice law firm as a Nurse Consultant. During this time, Teresa also worked as an adjunct faculty member teaching Legal Nurse Consulting Courses at a local college. Her career as a registered nurse began with staff nursing in ICU at a Level 1 Trauma Center. She is an active member of ASHRM, ISHRM and CHRMS.
