Tel: 217.529-7777

**DESCRIPTION:** This program will provide educational direction to Nurses, Human Resources Specialists, and anyone charged with managing your organization's workers' compensation exposure.

**Objectives:**

- A. Describe and provide updates on OSHA's COVID-19 National Emphasis Program and COVID-19 related OSHA standards
- B. Outline the most common OSHA violations found in the Healthcare Industry and lessons learned from each category to avoid receiving an OSHA citation
- C. Define the current evidence base that supports that safe patient handling practices can enhance patient safety, satisfaction, and clinical outcomes.
- D. Identify how to capture patient safety related data as related to the impact of a SPH program.
- E. Outline specifics of new Joint Commission accreditation requirements and resources for hospitals and critical access hospitals
- F. Discuss recommendations for healthcare organizations based upon deficiencies documented from past surveys.

**CE Credit:**

- The Illinois Health and Hospital Association (IHA) is authorized by the State of Illinois Department of Financial and Professional Regulation (license number 236.000109) to award up to 6.0 hours of nurse continuing education credit for this program.
- This Program, ID No. 588762, has been approved for 7.00 HR (General) recertification credit hours toward aPHR™, aPHRi™, PHR®, PHRca®, SPHR®, GPHR®, PHRi™ and SPHRi™ recertification through HR Certification Institute® (HRCI®).

### ICT/IRMS AGENDA

#### May 6, 2022

- |          |                                                                                                                                                                                                                                    |
