2019 WORKERS' COMPENSATION SYMPOSIUM

ICT/IRMS held their annual Workers' Compensation Symposium on May 2nd and 3rd at the Crowne Plaza Hotel in Springfield, IL. The Symposium's primary topic this year was Workplace Violence in the Healthcare setting.

Attendees heard presentations from NIOSH, OSHA, a Security Consulting Firm, and a Forensic Clinical Psychologist. In addition a panel representing four hospitals presented their Workplace Violence Prevention Programs.

The ICT/IRMS Loss Control Department is available to assist all of its members in the development and management of their Workplace Violence Prevention Programs. Please contact Mike Benedeck or Deidre Harris if you need assistance.
