

# 2025 Illinois General Assembly Session

## BY THE NUMBERS

### Spring Legislative Session Overview

**Nearly 1,500 individual amendments were filed this session.**

**Most were filed in the final few weeks leading up to the June 1 adjournment.**

Amendments range from correcting a simple scribe's error to a complete overhaul of the bill and may range from one to several hundred pages. Each amendment must be reviewed to determine its impact, all with a short turn-around time.

#### IHA 2025 State Legislative Agenda

#### Help Us Tell Your Powerful Story

Earlier this year IHA launched a new television, radio, and digital advertising campaign—**Healing Communities**—highlighting the life-saving care and vital community benefits provided by Illinois' hospitals and health systems. We invite you to share your community impact stories of how you are healing your communities—whether through addressing community needs, providing accessible healthcare, training future clinicians, or driving local economies.
