Business solutions for an evolving healthcare market

Providing Supply Chain Value for Hospitals

By partnering with IPC Group Purchasing, hospitals get access to top-tier, high-quality medical products and services at discounted prices—and with no membership fees. We're committed to delivering value through volume aggregation.

Why Choose IPC Group Purchasing?

Service

Our exceptional client services team and partners identify savings, assess contracts and ensure appropriate pricing.

Affiliation

As an IPC member, you'll have access to Premier's highly competitive portfolio of more than \$84 billion in purchasing volume and 3,500+ contracts.

We partner with Premier, one of the nation's largest group purchasing organizations covering more than **1 in 2** healthcare providers.

Volume Aggregation

Our purchasing volume means competitive pricing through Premier and in partnership with Capstone Health Alliance, a much larger group of Premier members who aggregate their GPO spend. Capstone also negotiates with suppliers for products and services not available through Premier.

This is the **power** of IHA!
